Good Afternoon

The current SNC rate for CA is 31.9%. This made up for 44 majors and 101 minors in SNC. Last quarter's SNC rate was 33.2%. I know during our summit you wanted to see a list of the facilities that are in SNC. I pulled the list from the dashboard and attached to this email. Please review this information and verify that it is correct. Thanks! Let me know if you have any questions.
